A systematic, organized, hardworking and dedicated with an analytical bent of mind with excellent academic credentials. I have completed B-tech CSE from Sri Sai Institute of Engineering and Technnnology, Amritsar (Punjab).

A hard working & talented individual with ability to learn new concepts & technology within a short span of time, seeking a challenging job that would synergize my skills and knowledge with the objectives of the organization. A responsible, reliable and committed worker, give my best both as a part of a team and working independently.

The above credentials along with my enclosed resume make me ideally suitable for a position in your organization. I would appreciate an opportunity for a personal interview. Thanking you,

Yours Sincerely

Kajal Kumari
